

Section 2 – EEE Activity

Producer Activities?

Please tick the producer activities that apply to your company

- Manufacturer of EEE
- Importer of EEE
- Re-brander of EEE

Please describe the EEE products you place onto the UK market and/or attach pictures or a company brochure where necessary

Section 3 – Producer Identification Mark(s)/Brand Name(s)

The Environment Agency require a graphic file(s) portraying the brand mark(s) you are responsible for to be submitted with your registration. The smallest side should be no smaller than 120 pixels and no larger than 232 pixels and be in a JPG format. The file size should be 250kb or less. Please submit this in the correct format to transform@biffa.co.uk

Have you submitted your graphic file(s)?

The file(s) must be received before we can process your registration

Yes

Please list all brand names for which you are responsible:

Section 4 – EEE tonnage placed onto UK market

Please report the amount of new EEE placed in the last 4 quarters if you have placed EEE onto the UK market; or Please forecast the EEE tonnage you will place onto UK market in the next 4 quarters. The data here should be submitted by category and obligation in **tonnes** with 3 decimal places.

Please do not include the weight of **Batteries, Packaging and instructions** into the EEE data submission.

This data is for the period: Year: 20__

(Please only submit data for one period. Use another form for other periods)

Q1
January to March

Q2
April to June

Q3
July to September

Q4
October to December

	For use by domestic households	For use by businesses
	Tonnes	Tonnes
Category 1 - Large Household Appliances (other than cooling equipment)		
Category 2 - Small Household Appliances		
Category 3 - IT and Telecoms equipment (excluding displays i.e. televisions and monitors)		
Category 4 - Consumer Equipment (excluding displays i.e. televisions and monitors)		
Category 5 - Lighting equipment (excluding LED light sources and gas discharge lamps)		
Category 6 - Tools		
Category 7 - Toys, leisure and sports equipment		
Category 8 - Medical Devices		
Category 9 - Monitoring and Control equipment		
Category 10 - Automatic dispensers		
Category 11 - Displays (televisions and monitors)		
Category 12 - Cooling equipment containing refrigerants		
Category 13 - Gas discharge lamps and LED light sources		
Category 14 - Photovoltaic Panels		
Totals		

Basis of Assessment

How has the EEE sales weight data been obtained? (Please tick)

- Supplier data
- Sample weighing
- Weighing all products
- Pareto analysis
- Trade Organisations (please specify)
- Other (please specify)

e.g. Top 80% of lines

Section 5 – Declaration by Authorised Person

It is an offence if you deliberately give false or misleading information. You may be liable to prosecution. This registration form must be signed by an 'approved person' (see below).

I declare that the information in this registration and data form is true to the best of my knowledge and belief.

I understand that registration with Transform may be refused or cancelled if I give false or incomplete information and that the Environment Agency may take enforcement action, which could result in prosecution.

I agree to inform you of any changes to the information given on this application within 28 days of the change.

For the purpose of signing the registration document, the 'approved person' is:

- a Board Director or Secretary of the company
- a partner or sole trader

Details of Approved Person
